Student Ambassador Reports

Carrieanne Hungate said the performance of winter sports and activities were big accomplishments for students and that everyone around school can take pride in. It's important for everyone to know how much work goes into it, and how important and rewarding it is to have the community support and recognition. Every team mentioned made All Conference.

Ian Smiddy said the high school pops concert went really well. Students are gearing up for competition in choir, band and the spring concert. It is exciting for everyone on the scholastic bowl team to have the ability to go to Masonic State for the 3rd year in a row, and hopefully, even go for IHSA.

William Cox agreed with the discussions.

Staff/Coaching Considerations

Superintendent Temple discussed possible future staffing and coaching positions to be voted on at the next Board of Education meeting.

BusRight Transportation Software

Superintendent Temple communicated that we piloted a bus routing software program 3 years ago that didn't work out, and that this software is more for a school our size. This transportation software will help new drivers who don't know the area. It also communicates with parents for expected time arrivals.

Board Policy 6.230 Library Media Program

Superintendent Temple said this is the first reading of the policy that is required to be eligible for the Illinois State Board of Education library grant we receive annually in the amount of \$800.

Blackhawk Division Meeting

Superintendent Temple reminded the Board members that the Blackhawk Division Meeting will be held at Stark Co CUSD 100 in Wyoming, IL on March 5, 2024.
